---

While transporting a captured American traitor, a young special agent must go to great lengths to protect his prisoner from other agents gone rogue. Jim Brody is a young Special Forces trainee passionate about serving his country, but when he's wounded badly overseas, his recovery in the States leads him to depression. Eventually, he is recruited to work for a private military company called Blue Tower. While there, he finds himself as the last-minute replacement of a seemingly simple operation: the transport of high-profile prisoner. But when the mission is underway, Brody soon realizes that those within Blue Tower may have their own plans for the prisoner. a5c7b9f00b
